2. Given your present assignment, what segment of the course did you find most useful? Least useful?

In my present assignment, it would be hard to say which one was the most useful + least useful since our office deals with material for each + every component that was represented. Every lecture was informative.

3. Please describe how the course benefited you.

Gave me an update on where the Agency stands and served as a refresher course on what the DDA Directorate's goals + functions entail.

4. What suggestions do you have for improving this course?

none.
